

Team Techfest 2019-2020 welcomes you to Zonal Competitions by Techfest, IIT BOMBAY. Following are some general guidelines for your assistance.

### 1. Registration:

Registration Desk starts at **7:30 AM** and the **competitions will start at 8:30 AM**. Participants are required to arrive quite early as registration at Main Gate may take time owing to lot of crowd there. List of all the Online Registrants will be present at the entrance gate of college and **On the Spot registrations** are also available for direct participants. **Kindly Present Your Identity Card** for verification. A Slot card will be given to you. **The participants should carry this card at all times in the campus. Misplacement of the slot card will lead to direct disqualification from the corresponding competition.** Participants need to register only once during the Zonals. **Neither Techfest, IIT Bombay nor SKIT, Jaipur is responsible for your belongings.**

### 2. How to Reach:

Address: SKIT, Ram Nagariya Road, Shivam Nagar, Jagatpura, Jaipur, Rajasthan 302017

- **From Jaipur Railway Station:** From railway station it typically takes 40 minutes to 1 hr to reach the venue by cab. Bus facilities are also available which may take around 90 minutes.
- **From Jaipur Airport:** From Airport it takes around 30 minutes to reach the venue by cab.

### 3. Event Day:

- The venue for the four competitions will be informed at the Registration Desk (Guards will direct you).
- All participants must report at the venue on 6th October at 7:30 AM sharp with their Registration Cards (snapshot of your Techfest account showing your name and team ID will work) and college Identity cards. (Pointers will be put up at various places in the campus for the convenience of the participants.)
- The competition will start from 8:30 AM in the morning on 6th October.
- CoDecode Participants need to bring their own Laptop with the compiler already installed. (it should work Offline)
- You need to bring your own stationary.

**Note:** If the same team participates in more than one competition then it is expected that some of the team members should stay at one venue while the others at the venue of other competition, so that even if there are any overlaps in the slots, there should not be any issue
